EDS 3346-3-0025-000-E1

Material number: 925553

Technical data

Product Features	
Display	Yes
Type of pressure	Relative
Pressure unit	BAR
Setting range min value	0
Setting range max value	25
Switching outputs	1
Additional interface	4 to 20mA, 0 to 10V
Mechanical connection	G1/4 A ISO 1179-2 / external
Electrical connection	M12x1 / 4p
Approvals and certificates	UL approval
